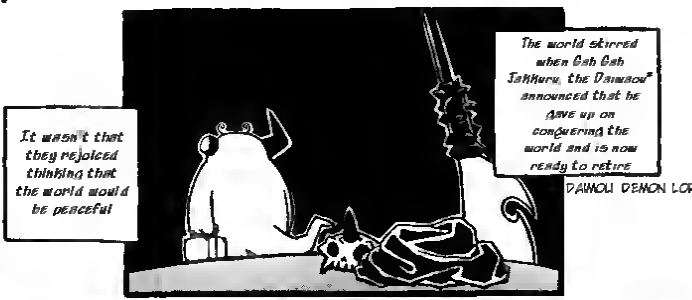
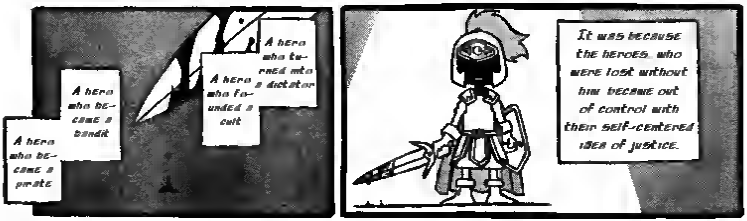
THE SUMMER OF GAH AND US

BY KEI HAKOMIYA

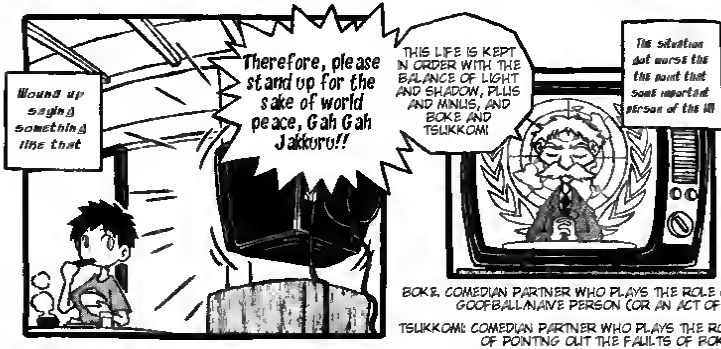
Another Appearance!!



It wasn't that they rejoiced thinking that the world would be peaceful
The world stirred when Gah Gah Jakkuru, the Daimaou* announced that he gave up on conquering the world and is now ready to retire
DAIMOU: DEMON LORD



A hero who became a bandit
A hero who became a pirate
A hero who turned into a dictator
A hero who founded a cult
It was because the heroes, who were lost without him became out of control with their self-centered idea of justice.



Wound up saying something like that
Therefore, please stand up for the sake of world peace, Gah Gah Jakkuru!!
THIS LIFE IS KEPT IN ORDER WITH THE BALANCE OF LIGHT AND SHADOW, PLUS AND MINUS, AND BOKE AND TSUKKOMI
The situation got worse the the point that some important person of the UN

BOKE: COMEDIAN PARTNER WHO PLAYS THE ROLE OF GOOFBALL/NAIVE PERSON (OR AN ACT OF)

TSUKKOMI: COMEDIAN PARTNER WHO PLAYS THE ROLE OF POINTING OUT THE FAULTS OF BOKE

that Goh Goh Tekkuru was in the village
But we somehow knew
By then Daimaou already disappeared and no one could find out where he went

But when we were playing outside we felt the suspicious presence which came close to us
The adults didn't believe us at all, since nobody saw him clearly

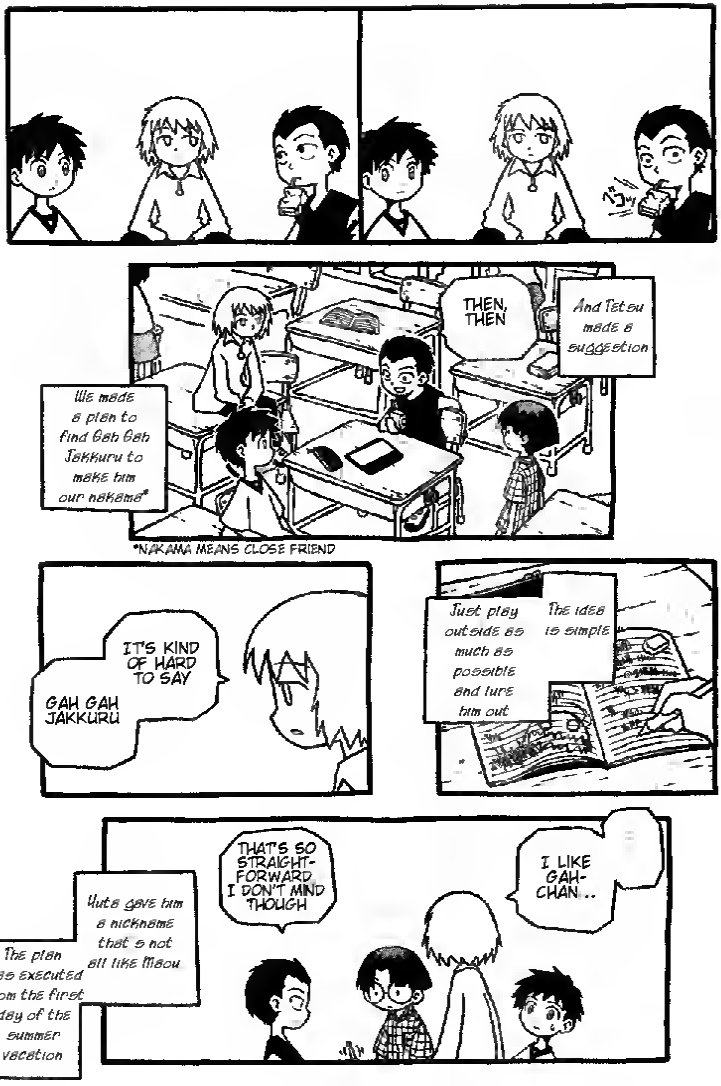
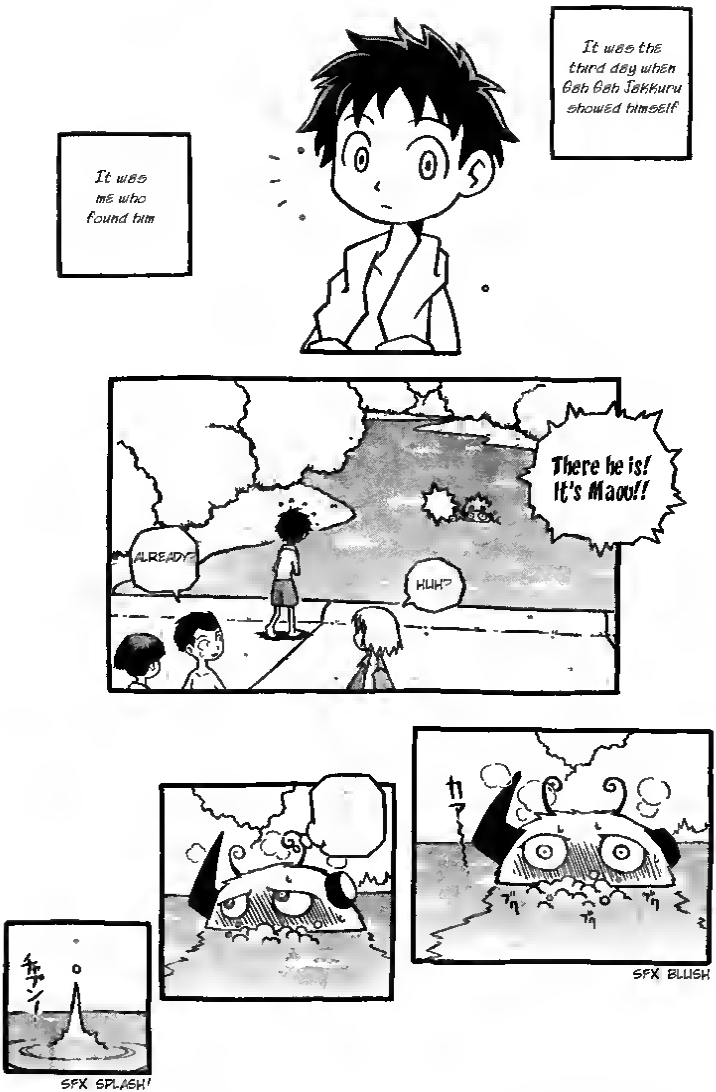
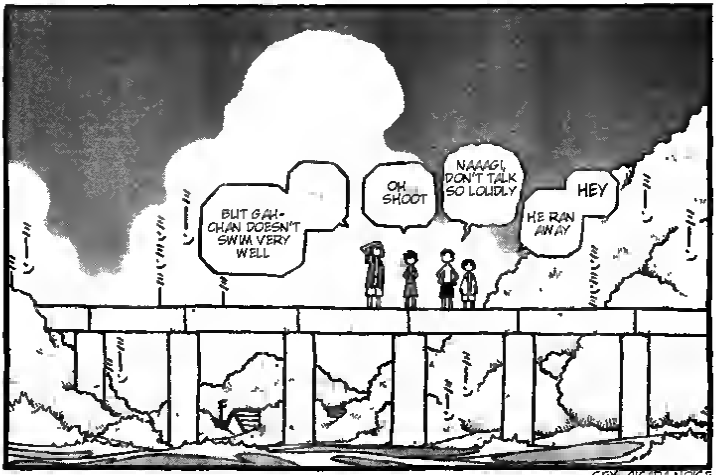
One such day Hamaji pointed out something
MAYBE HE WANTS TO PLAY WITH US..



We made a plan to find Gah Gah Jakkuru to make him our nakama*
THEN, THEN
And Tetsu made a suggestion
*NAKAMA MEANS CLOSE FRIEND
IT'S KIND OF HARD TO SAY
GAH GAH JAKKURU
The idea is simple
Just play outside as much as possible and lure him out
I LIKE GAH-CHAN..
THAT'S SO STRAIGHT-FORWARD I DON'T MIND THOUGH
Yuta gave him a nickname that's not all like Misou
The plan was executed from the first day of the summer vacation

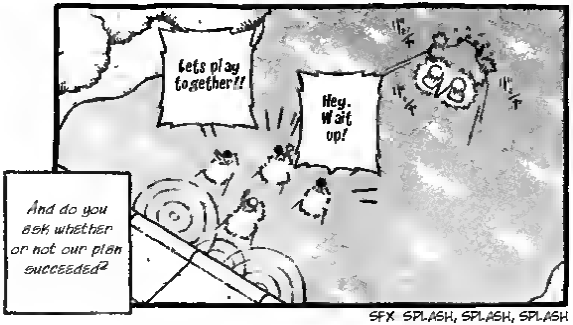


It was the third day when Geh Geh Tekkuru showed himself
It was me who found him
There he is! It's Maou!!
ALREADY?
HUH?
SFX BLUSH
SFX SPLASH!

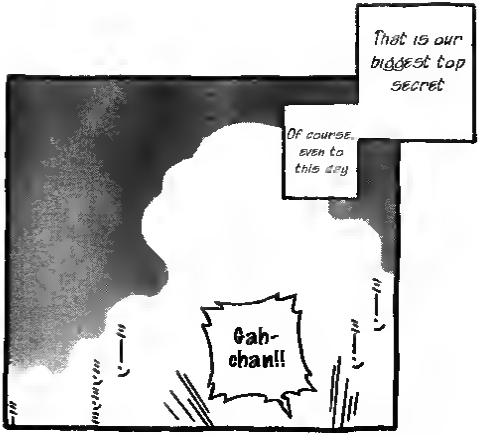


SFX: CICADA NOISE

SFX: SPLASH, SPLASH



SFX: SPLASH, SPLASH, SPLASH



That is our biggest top secret
Of course, even to this day
Gah-chan!!

Wether he knew that or not, he didn't attempt to get down from the moon, and
he still occasionally showers the earth with pieces of the moon.
